although katharine drexel has been the subject of several biographies they have tended to treat her as a perfect human being whom the church later transformed into a saint katherine and the sisters who shared her vision moves beyond the story of the heiress s individual life devoted to god and shines a light on the work she did assisted by the sisters of the blessed sacrament drexel could have

lived comfortably wealthy and privileged as a philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within black and indigenous communities without receiving the bulk of the money left by drexel s father the author s careful examination of the work drexel and her sisters accomplished in philadelphia and elsewhere shows impacts on the church while also revealing racial issues at work in the story this brings a critical perspective to drexel s ministry to further our understanding of the black catholic community and renew our commitment to the difficult ongoing conversation about race in america

after decades of detective work dan rottenberg has succeeded in writing the first biography of this exceptionally influential and elusive man

in church and estate thomas rzeznik examines the lives and religious commitments of the philadelphia elite during the period of industrial prosperity that extended from the late nineteenth century through the 1920s the book demonstrates how their religious beliefs informed their actions and shaped their class identity while simultaneously revealing the ways in which financial influences shaped the character of american religious life in tracing those connections it shows how religion and wealth shared a fruitful yet ultimately tenuous relationship

this historic book may have numerous typos and missing text purchasers can download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1896 excerpt sophia smith and her colleoe foli women miss sophia smith the founder of smith college came from a family of savers as well as givers selfindulgent persons rarely give she was the niece of oliver smith whose unique charities have been a blessing to many towns mr smith who died at hatfield mass dec 22 1845 left to the towns of northampton hadley hatfield amherst and williamsburg in the county of hampshire and deerfield greenfield and whately in the county of franklin about a million dollars to a board of trustees to be used as follows to be set aside for sixty years from the time of his death so as to double and treble itself for an agricultural school at northampton 30 000 in 1894 forty-nine years after mr smith died this fund had become 190 801 15 so rapidly does interest accumulate this will be used to purchase two farms one a pattern farm to become a model to all farmers the other an experimental farm to aid the pattern farm in the art and science of husbandry and agriculture buildings are to be erected on the grounds suitable for mechanics and workshops for the manufacture of implements of husbandry of the most approved models if the income will warrant it tools for other trades may be manufactured there is also to be a school of industry on the farms for the benefit of the poor the boys to be aided must be from the poorest in the town are to receive a good common education and be taught in agriculture or in some mechanic art in the shops on the premises when twenty one years of age they are to be loaned 200 each and after paying interest for five years at five per cent are to receive the 200 as a gift if they have proved themselves worthy three years before they are twenty one each is to have
